Not necessary, unless you know something about the letter?? I spoke to Sue shortly after her email to you. She wanted to know what prompted the letter. I said I don't know, but I don't doubt that rumors and ill will are running rampant in the lab.

Hi Steve,

Hope this email finds you well.

I have forwarded an attachment to this email. I was wondering if you could direct this letter to the appropriate person/people.

My sincere apologies to everyone.

Thank you,

Annie
